

Prep and Plan in Kindergarten 2024/25

Do you have a desire to “work smarter, not harder” as a kindergarten teacher? Would you be interested in collaborating with others from across the province to share resources, plans, assessment strategies and more? Although we work in different places around Ontario, we are on the same team, helping kids to live, love, and learn for the glory of God. Join these once-a-month sessions to make your school life a little easier as we plan and prep materials to be used in your classroom.

<p>Session 4</p> <p>Thursday, February 20 3:45-4:30</p>	<p><u>Prep and Plan Literacy Activities</u></p> <p>A strong literacy program is crucial for our young learners. Having activities and resources to build these key skills is vital for our students' success. Let's collaborate on some literacy activities that you can do throughout the school year. Bring your resources to share and take away some new ideas to use in your classroom right away.</p>
<p>Session 5</p> <p>Thursday, March 20 3:45-4:30</p>	<p><u>Prep and Plan Math Activities</u></p> <p>Looking for new centre ideas to reinforce number sense, patterning, or geometry concepts? Bring what you're using and hear what others are doing in their classrooms. You may discover some exciting new ways to teach these foundational skills for our youngest learners. Join us and expand your math toolbox with this session.</p>
<p>Session 6</p> <p>Thursday, April 10 3:45-4:30</p>	<p><u>Prep and Plan Celebration of Learning</u></p> <p>Springtime often means opportunities for showcasing learning that's happened throughout the year. This final session is dedicated to celebrations of learning. Share your ideas, get feedback and prepare materials with your colleagues to make this the best celebration of learning yet!</p>
